Flag Stop Areas (shaded gray)

In flag stop areas, stand at a safe location on the roadside and wave to the driver to indicate that you wish to board the bus. The driver will only allow you to board in a location that is safe. To get off the bus in a flag stop area, advise the driver well in advance so they can choose a safe location to stop. Refer to the schedule for exact flag stop locations. Refer to page 3 for more detail on how to use flag stops.
